

The CRFC 40th Anniversary Dinner - If you were not at the 40th Anniversary Dinner last night you missed a great evening! I would suggest you start thinking about making sure you attend the 50th Anniversary! It will probably be bigger and better!

Many thanks to the Alumni for taking on this event and especially John McKenzie who devoted a great deal of his time and energy to making sure the event was a success. We should also thank the many sponsors and donors who provided a wide assortment of gifts and

donations. Due to the generosity of those in attendance, I am sure the event will have raised a considerable sum of money.

Every table was full with probably close to 250 people in attendance; the food was excellent; our MC Mr. Iain Sellars was in fine form as were all the guest speakers.

The Event proved, once again, what a great organisation the Capilano Rugby Club is, and how much it is appreciated as a leader in the rugby community at large.

Once again thanks to all those involved in making the evening such a success!
