

## CAPILANO RFC WINTER CLASSIC

Calling all Capilano's, men and women, young and old, who have a strong love for the game of hockey!

The Capilano RFC presents the Winter Classic!

I have rented out the ice arena at Karen Magnussen RecCentre for January 2nd, 2012 (Monday) from 630-8pm. We are going to have a game of friendly hockey. Full gear must be worn so if you don't have it, borrow from a friend or go out and get some, otherwise you will be watching from the stands. Depending on numbers, we may do a three way round-robin between a thirds, first and prems team, with the help of some

females and snowcaps places into the teams.

If it did work out like this, it would mean technically the thirds could beat the prems team and have some bragging rights!

There will be a flat of beer supplied for each team, and possibly a few awards for afterwards. It will cost somewhere between \$10-15 each.

I would like to keep this event to only Capilano members, new and old, to partake in the hockey. But anyone is welcome to come watch and cheer us on.

For any questions on the matter or to let me know if you're in for a little fun this Christmas break, please contact me

Cheers, and hope to see you all there.
